About the area Villajoyosa the 'joyful village', with its about 20000 citizens lies just in the south of Benidorm, about 35 km north of Alicante. It is famous as a center for the production of chocolate, which could be the reason for its name! With its lovely coloured houses in the town center for most people Villajoyosa is the ideal counterpart to the sometimes crowded Benidorm. At an average of 26°C in summer and 15°C in winter, the warm and dry Mediterranean climate with approximately 300 sunny days per year makes it easy to enjoy life whether you like lazy beach days or mountain hikes. Villajoyosa has over 3 kilometers of beaches, a lovely marina, a beach front promenade all along the central beach and the iconic multi colored houses of the

fishermen.
