It is located in the Veneziola area, with immediate connections to the natural islets, the golf course and the marina. It is a new construction with high qualities and finishes typical of a luxury home. With a constructed area of 465.32m2 on a 1,361m2 plot, on the ground floor it has 3 very spacious double bedrooms and 2 bathrooms, a large living room with a fireplace, a separate dining room, a spacious independent hardwood kitchen and a large pantry. to store food, laundry etc. Large front and back porches. The garden is finished for easy maintenance and has a Private Pool. Double glazed exterior carpentry and double closure. Built-in wardrobes in all bedrooms. Basement / garage of 239m2, ideal for the installation of gyms, warehouses, games room etc. Behind the building there is a private jetty that allows access to the sea through a system of channels. The beaches are a few meters from the house. La Manga del Mar Menor is a thin strip of land covering 24 kilometres from Cabo de Palos to the Punta del Mojón across the Mediterranean sea, enclosed in a body of water. This waveless, shallow sea water lagoon is warm and incredibly salty, making it a popular with those after the health benefits of a mineral-rich swim, a safe bathing spot for families, or beginners practising water sports. This part of Murcia is known for its flat plains and orchard-like abundance. All these local fresh fruits and vegetables make for a varied cuisine plus the wines from Jumilla and Yecla are well known throughout Spain.

For sports enthusiasts there is La Manga Football Stadium, a famously high-spec golf club and sports centre. The nearest airport is Murcia International a 50km drive and there are various connection routes from there.
