DESCRIPTION

Construction of 10 semi-detached houses on the beachfront in Muchavista. Its exclusive location on the first line of the San Juan-Muchavista beach makes it one of the few plots where you can boast of the privilege of living face to face with the Mediterranean Sea. Its contemporary design facing the bay, the high quality of the selected materials and the uniqueness of the elements that it includes make it unique. Its enclave in a fully consolidated area provides it with all the necessary services. Quick access to public transport, schools, hospitals, leisure, shopping, golf, airport, etc ...
