BESKRIVNING

Magnificent villa in San Rafael with spacious rooms, private plot with the possibility of building a swimming pool. The house is divided into several floors, on the ground floor at street level we find a large living room, a kitchen, a toilet and a terrace with mountain views. On the upper floor we have a large bedroom with private terrace with views and a bathroom. On the lower floor down from the living room there are 2 very spacious bedrooms and a large bathroom. In addition the property has a guest apartment with bedroom, bathroom, and living room with separate entrance, as well as a closed garage. The house is equipped with heating by radiators that works with gas. The small urbanization has a communal pool.
