BESKRIVNING

This classic and elegant villa in Altea Hills combines luxury, comfort, and exclusivity in a privileged location. With 350 m² built on a plot of 650 m², it features 5 spacious bedrooms, 4 modern bathrooms, and a large garage for several vehicles. The highend entrance hall welcomes generous spaces decorated with sophisticated details that reflect its exclusive character. In addition, it has a pool, an impressive plot, and an underconstruction area with a sauna and jacuzzi on the ground floor, perfect for relaxing and enjoying wellbeing. The versatility of its spaces allows for customization to your liking, making this villa a unique and highend home. This luxury villa represents an exceptional investment for those seeking a highend residence or an investment opportunity in a constantly growing market.
